All good advice, but I'm sick of it!!!
My friend, thanks for your anxiety;
But it's a nightmare when she's not with me!
You wonder why I chose her?

She's 40, and I'm 22;
Her skin is almost like my mother's...
She'll be 50 when I'm 32;
I don't care, I'm happy with that!
Leave us alone!!!

Her sweet smile is cure for my wounded mind!
That's all, and you won't understand.
The way she cares for me, no-one else has ever done!
That's all... hey, I do mean it!!!

Thank you, man, but don't trouble yourself;
Your worries are nothing to me!
I'm under control like never before.
Still, you wonder why I chose her!

I was 4 when she was 22;
Maybe it's good we didn't meet then!!!
I was 14 when she was 32.
Stop wondering, what is the point?
Leave us alone!!!

Her sweet smile is cure for my wounded mind!
That's all, and you won't understand.
The way she cares for me, no-one else has ever done!
That's all... hey, I do mean it!!!

Her picture is always in my wallet;
I'm going out to buy her a birthday gift!
I want to see her smiling face...
Still, you wonder why I chose her!

Leave us alone!!!

Her sweet smile is cure for my wounded mind!
That's all, and you won't understand.
The way she cares for me, no-one else has ever done!
That's all... hey, I do mean it!!!
