Dam dam bi doo, dam dam bi doo bi doo bi
Dam dam bi doo, dam dam bi doo (2x)

Tell me what it takes, what it takes to make you love me
How my heart aches, when I think of you

Tell me what to do, what to do to make you notice
Am I getting through, you know what I mean

It's all because, because I really want somebody
Baby you're the one

So understand, I'll give you everything
I mean it when I say

Joepie I joepie hey, Joepie I joepie
I could love you all the way - I really love you yeah
Joepie I joepie hey, Joepie I joepie
I could love you night and day - I love you night and
day

Dam dam bi doo, dam dam bi doo bi doo bi
Dam dam bi doo, dam dam bi doo (2x)

Tell me what it takes, what it takes to make you listen

There's no mistake, it's you that I want

Tell me if you feel, the way I feel about you now
I'm making you a deal, I know you're the one

It's all because, because I really want somebody
Baby you're the one

So understand, I'll give you everything
I mean it when I say

Joepie I joepie hey, Joepie I joepie
I could love you all the way - I really love you yeah
Joepie I joepie hey, Joepie I joepie
I could love you night and day - I love you night and
day

Dam dam bi doo, dam dam bi doo bi doo bi
Dam dam bi doo, dam dam bi doo (2x)

I could love you all the way - love you all the way
I could love you night and day
I mean it when I say
