When your school shy
And the work, it ain't easy to find
And it's breaking your heart
Cause they said, you was no good from the start
Don't let go
Don't let go
Don't let go
Don't let go oh oh oh

When you're heading nowhere
And those friends you relied upon don't care
And your room is a cage
Ain't nobody to help you ease your rage
But don't let go
Don't let go
Don't let go
Don't let go oh oh oh

Oh oh oh I know it's so easy to advise
But I hear someone calling
And I feel something falling
From the loving in your eyes
When all faith is gone
And you aint got the guts to carry on
Like a child bathed in need
Hide away from the loving that you seek
But don't let go
Don't let go
Don't let go
Don't let go oh oh oh
Oh oh oh
Oh oh
Oh
