Meat Loaf:

Well I remember every little thing
As if it happened only yesterday
Parking by the lake
And there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! Hold tight!
C'mon! Holdtight!
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light

Ellen:

Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen
And we were barely dressed
Ain't no doubt about it
Baby got to go and shout it
Ain't no doubt about it
We were doubly blessed

Meat Loaf:

'Cause we were barely seventeen
And we were barely dressed
Baby don't ya hear my heart
You got it drowning out the radio
I've been waiting so long
For you to come along and have some fun
And I gotta let you know
No you're never gonna regret it
So open up your eyes I got a big surprise
It'll feel all right
I wanna make your motor run
And now our bodies are oh so close and tight

It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! Hold tight!
C'mon! Hold tight!

Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Though its cold and lonely in the deep dark night
In The deep dark night
Paradise by the dashboard light
You got to do what you can
And let Mother Nature do the rest
Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen
And we were barely-

We're gonna go all the way tonight
We're gonna go all the way
And tonight's the night...
We're gonna go all the way tonight
We're gonna go all the way
And tonight's the night...

RADIO BROADCAST

OK, here we go, we got a real pressure cooker going here,
Two down, nobody on, no score, bottom of the ninth,
There's the windup, and there it is, a line shot up the middle,
Look at him go. This boy can really fly! He's rounding first and really
turning it on now, he's not letting up at all, he's gonna try for
second; the ball is bobbed out in center, and here comes the
throw, and what a throw! He's gonna slide in head first, here he
comes, he's out! No, wait, safe-safe at second base, this kid
really makes things happen out there. Batter steps up to the
plate, here's the pitch-he's going, and what a jump he's got,
he's trying for third, here's the throw, it's in the dirt-safe at
third! Holy cow, stolen base! He's taking a pretty big lead out
there, almost daring him to try and pick him off. The pitcher

glances over, winds up, and it's bunted, bunted down
the third
base line, the suicide squeeze is on! Here he comes,
squeeze
play, it's gonna be close, here's the throw,
here's the play at the plate holy cow,
I think he's gonna make it!

II. LET ME SLEEP ON IT

Ellen:

Stop right there!

I gotta know right now!

Before we go any further!

Do you love me?

Will you love me forever?

Do you need me?

Will you never leave me?

Will you make me so happy for the rest of my life?

Will you take me away and will you make me your wife?

Do you love me!?

Will you love me forever!?

Do you need me!?

Will you never leave me!?

Will you make me so happy for the rest of my life!?

Will you take me away and will you make me your
wife!?

I gotta know right now

Before we go any further

Do you love me!?

Will you love me forever!?

Meat Loaf:

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

And I'll give you an answer in the morning

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

And I'll give you an answer in the morning

Let me sleep on it

Baby, baby let me sleep on it

Let me sleep on it

And I'll give you an answer in the morning

Ellen:

Meat Loaf:

Ellen:

Meat Loaf:

Ellen:

III. PRAYING FOR THE END OF TIME

Meat Loaf:
I couldn't take it any longer
Lord I was crazed
And when the feeling came upon me
Like a tidal wave
I started swearing to my god and on my mother's
grave
That I would love you to the end of time
I swore that I would love you to the end of time!
So now I'm praying for the end of time
To hurry up and arrive
'Cause if I gotta spend another minute with you
I don't think that I can really survive
I'll never break my promise or forget my vow
But God only knows what I can do right now
I'm praying for the end of time
It's all that I can do
Praying for the end of time,
So I can end my time with you!!

Meat Loaf:
It was long ago and it was far away
And it was so much better that it is today

Ellen:
it never felt so good it never felt so right
we were glowing like the metal on the edge of a knife
