

## Ellen Foley "Sad Song"

Visit "[Sad Song](#)" on MotoLyrics.com

It's a sad song  
When love goes wrong  
Leaves you feeling  
Like you never felt before  
Don't it hurt you  
And introvert you  
Leave you bleeding  
Feel so low and insecure

Broken hearted melody  
Oh what have you done to me?  
I feel that time alone can say  
Where I'll end up now

What a sad song  
When loves goes wrong  
Leaves you feeling  
That you never felt before  
Don't it shake you  
Almost break you  
Send you reeling  
Til your rolling out of love

Broken hearted melody  
Oh what have you done to me?  
I feel that time alone can say  
Where I'll end up now  
(Oh won't you save me)

Shalala... Shalala...  
Shalala... Shalala...  
Shalala... Shalala...  
Shalala... Shalala...

Broken hearted melody  
Oh what have you done to me?  
I feel that time alone can say  
Where I'll end up now

What a sad song (broken hearted melody)  
When love goes wrong (oh what have you done to me)  
Leaves you feeling (broken hearted melody)

Like you never felt before (oh what have you done to  
me)  
Don't it shake you (broken hearted melody)  
Almost break you (oh what have you done to me)  
Send you reeling (broken hearted melody)  
Til your rolling out of love (oh what have you done to  
me)
