Put the volume at the end of me and treat,  
The girlfriend next door, I'm ready to douche  
Nice to meet you my name below, I know I miss you  
Fits my type in your formula  
Elli, I do not look, I'm what you're looking  
Are you caught my love, the spider in the net  
Elli, do not try to go, will not escape me  
Away from me, you're lost, alone, scared.  
Yes, my love for one another are molded  
Without you need with me highly addicted.

Elli Kokkinou  
Indeed I have lost my way  
Indeed not to have overcome  
Indeed in this phase  
In fact I need urgent  
Indeed ...  
Indeed I need to urgently.

Underground  
You know what I forgot, changed cartridge  
The supposedly indifferent play, let me laugh ha ha  
After all the recall and so on torture  
And he says Sakis now begin the difficult  
Now we change the rules, I will speak in pictures  
The words stand for a moment, the centuries  
documents  
I sent you a picture, hug the two of us  
To look at what you lose, but your side is not me  
View So rotten in the glorious your past  
Beside me happy like you lived your dream?  
But if you lure a picture now, here, on a black  
background  
Would not a sad joke landscape.

Elli Kokkinou  
Indeed I have lost my way  
Indeed there have you overcome  
Indeed in this phase  
In fact I need urgent  
Indeed ...

In fact I need urgently.
