I wanna drink from the clearest water  
I wanna eat the things I ought to  
I, just warm I know but I, feel strong enough

I wanna reach the greatest mountain  
Climb if I want without a shouthing  
I, just warm I know, but I, feel strong  
You know when clouds wish,  
Should be white at least  
And oceans should meet us at the beach.  
And I don't want to run for each one,  
I know what's in store  
Or laugh laugh a day at a time but  
Laugh laugh a day at a time  
Could laugh

(Repeat)
