Oh whoa, and if you never, said, anything  
If you never said anything  
If you never  
If you never  
If you never  
If you never said anything

If you never, if you never  
Ahhhhhh  
If you never, if you never  
if you never, if you never  
ahhhhhhhh  
if you never, if you never

Here it is  
In my hands,  
In my veins  
And over lands  
It spreads like fire  
Seeking air  
To pull me in  
My own fanfair

Won't you come  
Won't you come  
Won't you come just don't say a word

Won't you come  
Won't you come  
Won't you come just don't say a word

If you never, if you never  
Just don't say a word

If you never, if you never  
Just don't say a word

I'm more alive  
Than I've ever been  
So now I give you, all my sins  
I've chosen you  
I've chosen you

But don't say a word

And if I save us  
And I fall down  
I will leave your words behind now  
If you never held me under  
If you never feel my thunder

If you never, if you never  
Ahhhhhhhh  
If you never, if you never  
If you never, if you never  
Ahhhhhhhh  
If you never, if you never

Just don't say a word
