You tremble like you see a ghost
And I gave in
"I like the things you need the most,"
You said
Where have you been?

You wasted all that sweetness
To run and hide;
I wonder why
I remind you of the days
You poured your heart into,
But you never tried

I've fallen from grace,
Took a blow to my face;
I've loved, and I've lost,
I've loved, and I've lost,

Explosions
On the day you wake up,
Needing somebody
And you've learnt
It's okay to be afraid,
But it will never be the same
It will never be the same

You left myself seeing in the dark
So you could be king
The words you said are still untold to me
And I've
Lost my faith in everything

Them nights you get cold
Your intentions were gold
But the mountains will shake;
I need to know I can still make

Explosions
On the day you wake up needing somebody
And you've learnt
It's okay to be afraid,
But it will never be the same

And as the flies move in,
And your body starts to sink,
I was the last thing on your mind:
I know you better than you think

'Cause it's simple darling,
I gave you warning
Now everything you owe
Is falling from the sky in pieces
To watch them fall with you
In slow motion
I pray that you'll find peace of mind;
And I'll find you another time

I'll love you another time

Explosions
On the day you wake up,
Needing somebody
And you've learn
It's okay to be afraid
But it will never be the same
