You're so quiet
But it doesn't faze me
You're on time
You move so fast
Makes me feel lazy

And let's join forces
We've got our guns and horses
I know you've been burnt
But every fire is a lesson learnt

I left my house
Left my clothes
Door wide open
Heaven knows
You're so worth it, you are

But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
And maybe you'd feel the same
I'd do it all for you
I would, I would, I would, I would, I would

Lets tie words
'Cause they amount to nothing
Play it down
Pretend you can't take what you've found
But you found me
On a screen you sit at permanently

I left my house
Left my clothes
Door wide open
Heaven knows
You're so worth it, you are

But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
And maybe you'd feel the same
I'd do it all for you

I would, I would, I would, I would

It's time to come clean and make sense of everything
It's time that we found out who we are
'Cause when I'm standing here in the dark
I see your face in every star

But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
And maybe you'd feel the same
I'd do it all for you
I would, I would, I would, I would, I would

I'd do it all for you, I would
I'd do it all for you, I would
I'd do it all for you, I would
I'd do it all for you, I would
I'd do it all for you
