Some nights I stay up cashing in my bad luck
Some nights I call it a draw
Some nights I wish that my lips could build a castle
Some nights I wish they'd just fall off

But I still wake up, I still see your ghost
Oh Lord, I'm still not sure what I stand for oh
What do I stand for? What do I stand for?
Most nights, I don't know
So come on (come on)
So come on (come on)
Oh whoa, oh whoa, oh whoa oh oh
Oh whoa, oh whoa, oh whoa oh oh

This is it, boys, this is war
What are we waiting for?
Why don't we break the rules already?
I was never one to believe the hype
Save that for the black and white
I try twice as hard and I'm half as liked,
But here they come again to jack my style

And that's alright; I found a martyr in my bed tonight
She stops my bones from wondering just who I am, who
I am, who I am
Oh, who am I? Who am I? Mmm who am I?

Well, some nights I wish that this all would end
Cause I could use some friends for a change
And some nights I'm scared you'll forget me again
Some nights, I always win, I always win...

But I still wake up and I still see your ghost
Oh Lord, I'm still not sure what I stand for, oh
(Oh whoa, oh whoa, oh whoa oh oh)
What do I stand for? What do I stand for?
Most nights, I don't know...

My heart is breaking for my sister and the con that she
call "love"
When I look into my nephew's eyes

Man, you wouldn't believe the most amazing things
that can come from
That can come from some terrible lies...ahhh...
Some terrible lies

Oh whoa, oh whoa, oh whoa oh oh
It's for the best you didn't listen
Oh whoa, oh whoa, oh whoa oh oh
It's for the best you didn't listen
Oh whoa, oh whoa, oh whoa oh oh
It's for the best we get our distance
