Oh, oh, starry eyed
Hit, hit, hit, hit, hit me with lightning

Handle bars, and then I let go
Let go for anyone
Take me in, and throw out
My heart and get a new one

Next thing, we're touching
You look at me it's like you hit me with lightning

Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body goes

So we burst into colors
Colors and carousels
Fall head first
Like paper planes and playground games

Next thing, we're touching
You look at me it's like you hit me with lightning
Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body goes

Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching

Next thing we're touching
Next thing we're touching
Next thing we're touching
Next thing we're touching

Hit me with lightning

Oh, everybody's starry eyed
And everybody knows

Oh, everybody's starry eyed
And my body goes

Oh, everybody's starry eyed
And everybody knows
Oh, everybody's starry eyed
And my body goes
