Who are we to be emotional?
Who are we to play with hearts and throw away it all?
Oh, who are we to turn eachother's heads?
Who are we to find ourselves in other people's beds?

Oh, I don't like the way I never listen to myself
I feel like I'm on fire and I'm trying to cry for help
Oh, I don't think you know me much at all

This love is be and end all
This love will be your downfall
This love is be and end all
This love will be your downfall

I'm feeling down about this love

Who are you to make me feel so good?
Who are we to tell ourselves that we're misunderstood?
Oh, who am I to say I'm always yours?
Who am I to choose the boy that everyone adores?
Oh, I don't see a reason why we can't just be apart
We're falling on each other like we're always in the
dark
Oh, I don't think you know me much at all, at all

This love is be and end all
This love will be your downfall
This love is be and end all
This love will be your downfall
This love is be and end all
This love will be your downfall
(At all)

This love is not what you want
This heart will never be yours
This love is be and end all
This love will be your downfall
This love is be and end all
This love will be your downfall
