YOU DON'T KNOW
Ellie Greenwich

You don't know what I've been goin' through
Since the day I laid eyes on you
& you don't know how hard it is to hide
All my love (baby) deep inside
& I'll pray that's the way it's gonna stay
& day by day I'll just pretend 'cause she's my friend
& I can't let her know I really love you so, oh oh
Won't somebody help me? Oh help me, please help
me, oh

You don't know what I've been goin' through
'Cause till I die (baby) I'll love you
& I'll try not to cry when you walk by
'Cause she's just like a sister to me & she, yes she
Is so in love with you, I don't know what to do, no oh
Won't somebody help me? Oh help me, I love you, oh

(instrumental)

(You don't know) know what I've been goin' through
Since the day I laid eyes on you
(You don't know) know (what I've been goin' through)
Don't know what I'm gonna do
(Cause till I die) baby (I'll love you)
...& fade
