Fight, fight, fight  
Fight, fight, fight  
Fight, fight, fight  
Fight, fight, fight

Times get hard you get uptight  
You'd better watch out for the danger signs  
Praying for your life, finally tosses a Rut  
Fighting for survival with this feeling in your gut

'Cos we fight to live  
We live to fight  
We don't give a shit  
What's wrong or what's right

Times get hard you get uptight  
You'd better watch out for the danger signs  
Praying for your life, finally tosses a Rut  
Fighting for survival with this feeling in your gut

'Cos we fight to live  
We live to fight  
We don't give a shit  
What's wrong or what's right, right, right

We fight to live  
We live to fight  
We don't give a shit  
What's wrong or what's right

'Cos we fight to live  
We live to fight  
We don't give a shit  
What's wrong or what's right, right, right
