I let a song go out of my heart
It was the sweetest melody
I know I lost heaven
'Cause you were the song
Since you and I had drifted apart
Life doesn't mean a thing to me
Please come back sweet music
I know I was wrong
Am I too late
To make amends
You know that we were meant to be
More than just friends, just friends
I let a song go out of my heart
Believe me darling when I say
I won't know sweet music
Until you return someday
