I never cared much for moonlit skies,  
I never wink back at fireflies,  
But now that the stars are in your eyes,  
I'm beginning to see the light.  
I never went in for afterglow,  
Or candle light on the mistletoe,  
But now when you turn the lamp down low  
I'm beginning to see the light  
Used to ramble thru the park  
Shadow boxing in the dark  
Then you came and caused a spark  
That's a four alarm fire now  
I never made love by lantern shine,  
I never saw rainbows in my wine,  
But now that your lips are burning mine  
I'm beginning to see the light
