"Just Squeeze Me"

Want you to know I go for your squeezin'

Want you to know it really is pleasin'

Want you to know I ain't for no teasin'

Treat me sweet and gentle

When you say goodnight

Just squeeze me

But please don't tease me

I get sentimental

When you hold me tight

Just squeeze me

But please don't tease me

Missing you since you went away

Singing the blues away each day

Counting the nights and waiting for you

I'm in the mood to let you know

I never knew I loved you so

Please say you love me too

When I get this feelin'

I'm in ecstasy to squeeze me

But please don't tease me

Want you to know I just need squeezing now
