Once I believed that when love came to me  
It would come with rockets, bells and poetry  
But with me and you it just started quietly and grew  
And believe it or not  
Now there's something groovy and good  
Bout whatever we got  
And it's getting better  
Growing stronger warm and wilder  
Getting better everyday, better everyday  
I don't feel all turned on and starry eyed  
I just feel a sweet contentment deep inside  
Holding you at night just seems kind of natural and  
right  
And it's not hard to see  
That it isn't half of what it's going to turn out to be  
Cause it's getting better  
Growing stronger, warm and wilder  
Getting better everyday, better everyday  
And just like a flower that takes time to bloom  
This love of ours is taking time to grow  
Ba da da da da da da da da da da  
And I don't mind waitin, don't mind waitin  
Cause no matter how long it takes  
The two of us know  
That it's getting better  
Growing stronger, warm and wilder  
Getting better everyday, better everyday
