"New World Coming"

There's a new world coming
And it's just around the bend
There's a new world coming
This one's coming to an end
There's a new voice calling
You can hear it if you try
And it's growing stronger
With each day that passes by

There's a brand new morning
Rising clear and sweet and free
There's a new day dawning
That belongs to you and me
Yes a new world's coming
The one we've had visions of
Coming in peace, coming in joy
Coming in love

Yes a new world's coming
The one we've had visions of
Coming in peace, coming in joy
Coming in love
Coming in love
Coming in love
(Repeat last line to fadeout)
