Drink up, baby, stay up all night
the things you could do,
you won't but you might
the potential you'll be, that
you'll never see
the promises you'll only make
drink up
with me now and forget all about the pressure of
days
do what I say and I'll make you okay and drive
them away
the images stuck in your head
people you've
been before that you don't want around
anymore
that push and shove and won't bend to your will
I'll keep
them still
drink up, baby, look at the stars
I'll kiss you
again between the bars where I'm seeing you
there with
your hands in the air, waiting to finally be caught
drink
up one more time and I'll make you mine
keep you apart
deep in my heart separate from the rest
where I like you
the best and keep the things you forgot
the people
you've been before that you don't want around
anymore
that push and shove and won't bend to your
will
I'll keep them still
