At a party he was waiting
Looking kind of spooky and withdrawn
Like he could be underwater
The mighty mother with her hundred arms

Swept all aside
I hate to walk behind other people's ambition
I saw you waiting
Saint like with your warning
Leave alone, you don't belong here

He got nervous, started whistling
Every thought a ricochet
Did you notice, well I wondered
What's the worst thing I could say

And I froze up and sighed
You remind me of someones daughter
I forgot her, I forgot her name ashamed
Go home and live with your pain
Leave alone, leave alone'cause you know you don't
belong
You don't belong here

And when I go don't you follow
Leave alone, leave alone'cause you know you don't
belong
You don't belong here
Slip out quiet, nobody's looking
Leave alone, you don't belong here
