

Elliot Minor "Parallel Worlds"

Visit "[Parallel Worlds](#)" on MotoLyrics.com

The night's playing up again,
and someones there,
The room is getting colder now,
The light swings again
And I'm scared,
'cause someones there,
Stop messing with my mind 'cause now I'm...

Trapped in your world where you're burning in my
eyes,
You're like a shadow that never hides.

I'm stuck in parallel worlds, it's something
supernatural,
It wont let me go,
It's paranormal, and no one else believes me,
I feel so alone again.
Go go,
It wont let me,
Go go,
It wont let me

I'm stuck against the wall,
I can't make a move,
My heart beat stops,
I'm scared of this time cos I can't make a line,
To say once again it just proves to be difficult,
I'm feeling nervous but it's nothing that I cannot do,

I'm stuck in a dimension where it's hard to breath,
And it's still true, I'm losing my mind, I'm falling,
Someone help me what can I do!

Trapped in your world where you're burning in my
eyes,
Your like a shadow that never hides.

I'm stuck in parallel worlds,
it's something supernatural,
It wont let me go,
It's paranormal, and no one else believes me,
I feel so alone again.

I'm stuck in parallel worlds, it's something
supernatural,
It wont let me go,
It's paranormal, and no one else believes me,
I feel so alone,

I'm stuck in parallel worlds,
it's something supernatural,
It wont let me go,
It's paranormal, and no one else believes me,
I feel so alone again.
