Hey can you hear my body falling on the floor  
Hey can you see it's not what I was looking for  
Oh brother I'm wearing way too thin, what's this box I'm  
Living in?  
My body is broken

Oh what do we do now?  
Do we wait and sweat it out?  
Do we focus on the shiver?  
(My whole worlds filling out)  
I'm cold enough to see  
That these walls aren't helping me  
Do we focus on this shiver, the shiver?

I think I've crossed this bridge before  
But we ain't sailing silver anymore  
Oh brother I'm heading further down  
Can you help me take this out?  
Cause now I'm afraid that she won't dance for me now  
The secret is spoken  
My body's now broken  
Why's everything broken?

Oh what do we do now?  
Do we wait and sweat it out?  
Do we focus on the shiver?  
(My whole worlds filling out)  
I'm cold enough to see  
That these walls aren't helping me  
Do we focus on this shiver, the shiver?

Oh what do we do now  
Do we wait and sweat it out?  
Now I'm afraid that she won't dance for me now  
My secret is spoken  
My body's now broken  
Now everything's said

(My whole worlds filling out)  
Oh what do we do now?  
Do we wait and sweat it out?

Do we focus on the shiver?  
(My whole worlds filling out)  
I'm cold enough to see  
That these walls aren't helping me  
Do we focus on this shiver, the shiver?
