I'll tap my foot, I'll anticipate
Every second's a longer wait
And I'm just one step away
Muscles ceasing, but it'll pass in time

Dance for me now
Swirl yourself around
Lift off the ground

I've lost all hearing, it's filtered out
I focus better when there's no sound, now there's no
sound!
There's no feeling, it's barely real
Illusion come reign over me, reign over me

Dance for me now
Swirl yourself around
Lift off the ground, ground, ground

Dance for me now
Swirl yourself around
Lift off the ground

Dance for me now

Swirl yourself around
Lift off the ground

Dance for me now
Swirl yourself around
Lift off the ground

Dance for me now
Swirl yourself around
Lift off the ground

Lift off the ground and dance for me now

Dance for me now
Swirl yourself around
Lift off the ground

Swirl yourself around
Lift off the ground
