And I was with a girl,  
Her eyes were shining gold,  
And she stunned the whole world,  
And everybody knows,  
That shes the one it shows,  
But not today,  
And here it goes,

And all the things we talked about,  
The dreams were never true,  
I'm stuck day and day livin' a lie,  
The liar is you,  
Now things have to change,  
Life never stays the same,  
Life never stays the same,

And I was with a girl,  
She meant so much to me,  
And now she's gone,  
I feel alone,  
I cant taste the taste of simplicity,

And all the things we talked about,  
The dreams were never true,  
I'm stuck day to day livin' a lie,  
The liar is you,  
Now things have to change,  
Life never stays the same,  
Life never stays the same,

They're all the same,  
They're all the same,  
They're all the same,  
They're all the... (x4)

And all the things we talked about,  
The dreams were never true,  
I'm stuck day and day livin' a lie,  
The liar is you,  
Now things have to change,  
Life never stays the same,  
Life never stays the same. (x2)

And all the things we talked about,  
The dreams were never true,  
I'm stuck day to day livin' a lie,  
The liar is you,  
Now things have to change,  
Life never stays the same,  
Life never stays the same.
