Got bitten fingernails and a head full of the past  
And everybody's gone at last  
A sweet sweet smile that's fading fast  
'cause everybody's gone at last

And you don't get upset about it  
No not anymore  
There's nothing wrong  
That wasn't wrong before

Had a second alone with a chance let pass  
And everybody's gone at last

Well I hope you're not waiting  
Waiting around for me  
Because I'm not going anywhere, obviously

Got a broken heart and your name on my cast  
And everybody's gone at last  
Everybody's gone at last
