the citizens are looking quite the same but then again
we are check the files and learn its not ok to go quite
that far I guess well take it back assuming thats ok
tenants took all the medical files I guess ill do the same
assuming that this conversation will allow us to get by
suitcase is all weve got suitcase and atoms allow us to
get by suitcase and atoms are all weve got I guess well
take it all not a trace of where you hide all the medical
files to keep me in the straight assuming that this
conversation allows us to get by suitcase is all weve got
