is this where the rain falls ever morning i wonder why
sleep covered eyes talk calls the warning down from
the sky if you turn the light off ill cut the line i hear its
back again i hear the whole worlds running the line two
steps from turning back two steps from learning all the
signs heard youre fooling around with the thought town
has taken boy for a ride ive bet on hands you thought
and would have lost and i bet this cold wind dies is this
where the rain falls every morning i wonder why cheap
colored lights call on the sulfur and steel covered sky
feel ive touched your cells for too long not to earn the
right of disguise and id turn the world down for your
cause to make this cold wind die
