Someone's always coming around here, trailing some
new kill
Says I've seen your picture on a hundred dollar bill
And what's a game of chance to you, to him is one of
real skill
So glad to meet you
Angeles
Picking up the ticket shows, there's money to be made
Go on and lose the gamble, that's the history of the
trade
And you add up all the cards left to play to zero

And sign up with evil
Angeles
Don't start me trying now
'Cos I'm all over it
Angeles
I could make you satisfied in everything you do
All your secret wishes could right now be coming true
And be forever with my poison arms around you
No one's gonna fool around with us
No one's gonna fool around with us
So glad to meet you
Angeles
