(Pushy, preachy)

Last stop for a resolution  
End of the line, is it confusion?  
So go, go see what's there for you  
Nothing new, nothing new for you to use  
I've got no new act to amuse you  
I've got no desire to use you, you know  
But anything that I could do  
Would never be good enough for you  
If you can't help it then just leave it alone  
Leave it alone  
Yeah, just forget it  
It's really easy  
I believe I'll forget it too  
Still you're keeping me around  
'Til I finally drag us both down  
Pulling feathers out of your hat  
Yes I believe that's where it's at  
You belong tagging along  
And I belong in your zoo  
So I wait for your confirmation  
That you're never gonna use your starting gun

Unless it's me it sounds like being him just wasn't that  
much fun  
Anything that I could do  
Would never be good enough for you  
If you can't help it then just leave it alone  
Leave me alone  
Yeah, just forget it  
It's really easy  
I'll just forget it too  
Coast to coast  
Coast to coast  
I'll do what I can so you can be what you do  
Coast to coast  
Coast to coast  
I'll do everything I can so you can be what you do  
Coast to coast  
Coast to coast  
Circuit rider comes every fifth Sunday  
Oh my lord, I fell asleep one day

Anything that I could do  
Is there anything that I could do  
That someone doesn't do for you  
That someone didn't do for you  
That I've already done for you
