we arrived too late  
our mouths were opening I turned off the light  
so come on night

you're a witness you  
you've see me interrupta good old fashioned fight  
so come on night

everyone is gone  
home to oblivion  
home to oblivion  
home to oblivion

watched the dying day  
blushing in the sky  
everyone is uptight  
so come on night

everyone is gone  
home to oblivion  
home to oblivion  
home to oblivion

I know we're not  
illegitimate  
in our hearing  
so come on  
so come on night
