Come a little bit closer, hear what I have to say
Just like the children sleeping, we could dance the sun
away
But there's a full moon risin', let's go dancin' in the
night
We know where the music's playin', let's go out and
feel the night

Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon

When we were strangers, I watched you from afar
Then we were lovers, I love you with all my heart
But now it's getting late, and the moon is climbing high
I want to celebrate, see it shining in your eyes

Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon

Because I'm still in love with you
I want to see you dance again
Because I'm still in love with you
On this harvest moon
