"My New Freedom"

You can go anytime you want
I won't watch, it hurts too much.
If you stay, I promise you I'll be
Better to you, better to me.

Don't want to compromise your freedom,
Have a drink to you
'Cause you made it new,
And I hate everyone I see,
Everyone, everything.

I know how to handle the situation,
And forget other stuff if I drink enough
To pretend that I've got people too,
People I know, who hate what I do.

You, just trying to be nice,
I never asked your advice.

I know how to handle the situation,
How to be discreet and admit defeat.
You can go, and I'll say what I should:
"I'm doing okay, pretty good."
