Got bitten fingernails  
And a head full of the past  
And everybody's gone at last

Sweet Sweet smile  
That's fading fast,  
Cause everybody's gone at last.

Don't get upset about it  
No not anymore  
There's nothing wrong  
That wasn't wrong before.  
Had a second alone  
With a chance let pass  
And everybody's gone at last.

I hope you're not waiting  
Waiting 'round for me  
Because I'm not going anywhere  
Obviously

Got a broken heart  
And your name on my cast  
And everybody's gone at last  
Everybody's gone at last.
