The two kids you betray
The stupid shit you display
I took pictures in my head

You in a blank stare are all we have
A little dressy thing, just didn't care
You were off getting drunk instead

Seen how things are hard
Seen how things are hard
I love you though

Seen how things are hard
Seen how things are hard
Well, don't you know?

You were scared of what you thought
Was a dizzy height
You freaked out and forgot to stay well away
From trouble that you caused

Using all your strength to keep the world
At an arm's length and not get upset
At this self-imposed law

Seen how things are hard
Seen how things are hard
I love you though

Seen how things are hard
Seen how things are hard
Well, don't you know?

I'm a cracked reflection of you
I can't make corrections for you
You have to help me patch things up

Seen how things are hard
Seen how things are hard
I love you though

Seen how things are hard

Seen how things are hard
Well, don't you know?

Seen how things are hard
Seen how things are hard
I love you though

Seen how things are hard
Seen how things are hard
Well, don't you know? No
