"Sweet Adeline"

Cut this picture into you and me
Burn it backwards, kill this history
Make it over, make it stay away
Or hate'll say the ending that love started to stay

There's a kid a floor below me saying brother can you
spare
Sunshine for a brother, old man winter's in the air
Walked me up a story, asking how you are
Told me not to worry, you were just a shooting star
Sweet Adeline
Sweet Adeline
My Clementine
Sweet Adeline

It's a picture-perfect evening and I'm staring down the
sun
Fully loaded, deaf and dumb and done
Waiting for sedation to disconnect my head
Or any situation where I'm better off than dead
