First the mic then a half cigarette  
Singing 'Cathy's Clown'  
That's the man she's married to now  
That's the girl that he takes around town

She appears composed, so she is, I suppose  
Who can really tell?  
She shows no emotion at all  
Stares into space like a dead china doll

I'm never gonna know you now  
But I'm gonna love you anyhow

Now she's done and they're calling someone  
Such a familiar name  
I'm so glad that my memory's remote  
Cause I'm doing just fine hour to hour, note to note

Here it is, the revenge to the tune  
"You're no good  
You're no good you're no good you're no good"  
Can't you tell that it's well understood

I'm never gonna know you now  
But I'm gonna love you anyhow

I'm here today and expected to stay on and on and on  
I'm tired  
I'm tired

Looking out on the substitute scene  
Still going strong  
XO, Mom  
It's ok, it's alright, nothing's wrong

Tell Mr. Man with impossible plans to just leave me  
alone  
In the place where I make no mistakes  
In the place where I have what it takes

I'm never gonna know you now  
But I'm gonna love you anyhow

I'm never gonna know you now  
But I'm gonna love you anyhow

I'm never gonna know you now  
But I'm gonna love you anyhow
