"Among The Dead"

Up in the distance, stands a grove of trees
There are undead there i want their disease

I want to be among the dead tonite
I want to stumble through a moonless nite
I want to see my flesh go through decay
I wouldn't have it any other way

I think i knew you
Once when my viens flowed blood
But now I'd rather
Go sleep in the mud

I want to be among the dead tonite
I want to stumble through the moonless nite
I want to see my flesh go through decay
I wouldn't have it any other way....oh yeah

Among the dead tonite.
Among the dead tonite.

(repeat first verse)

Among the dead
Among the dead
Tonite
