We may still have time, you may still get by
Every time I think about it I wanna cry
With these bombs and devils and the kids keep coming
Nowhere to breathe easy and no time to be young

But I tell myself, yeah, that I'm doing alright
There's nothing left to do tonight

But go crazy on you, gonna go crazy on you
Gonna go crazy, crazy on you

My love is the evening breeze touching your skin
The gentle sweet singing of leaves in the wind
The whisper that calls after you in the night
And kisses your ear in the early light

You don't need to wonder, yeah, you're doing just fine
And my love, okay, the pleasure's mine

Let me go crazy on you, let me go crazy on you
Let me go crazy, crazy on you

Wild man's world is crying in pain
What you gonna do when everybody's insane?
So afraid of wanting, so afraid of you
What you gonna do?

Gonna go crazy on you, gonna go crazy on you
Gonna go crazy, crazy on you

I was a willow last night in my dream
I bent down over a clear running stream
I sang you the song that I heard up above
And you keep me alive with your sweet, flowing love

Crazy on you, let me go crazy on you
Let me go crazy, crazy on you

Let me go crazy on you, just go crazy on you
Just go crazy, crazy on you
