I am He, the carnal beast,  
Eternal fire now unleashed.  
My mother was the devil's whore,  
Mortal man opened the door.

(chorus)  
Diabolos  
Diabolos  
Diabolos rising!  
Whoah oh oh €

On earth as it is in hell,  
You will come to know me well.  
Ascending for the firehole  
Bringer of death stealer of souls.  
(chorus)

Call me Mephistopheles,  
Taste my venom if you please.  
I dwell inside all of you,  
Call me Abaddon and Cronos too.  
(chorus x2)  
(outro)
