Dominatrix[x 4]

She's his dominatrix
Queen of humiliation
She's his dominatrix
The Best in the nation

Beautiful Perversion dressed for the kill.
Shiny latex lingerie and each shall be fulfilled
Fantasy awaits him he's waiting for a command
In a second he is hers, his mind will expand.

She's his dominatrix
Queen of humiliation
She's his Dominatrix
The Best in the nation

Dominatrix[x 4]

Sexual eruption, release you're own control
Give yourself to her tonight, she will make you whole
A night in sweet submission, a mistress and her slave
Serve her right and serve her good and you will feel
her love.

She's his dominatrix
Queen of humiliation
She's his dominatrix
The Best in the nation

Get down on you knees and do what she wants
You are her toy, she is you're master.

"When I first met my husband, he was a real hard ass.
Ya know, the kind you need to break in a little bit.
You just gotta get through that tough exterior.
May be a little rough but I think that's what most men
are looking for ya know?
I think most men like it a little rough."
