Inside these grotesque walls.
A timeless evil calls.
Calls from centuries beyond.
Light candles mad of black,
Let gruesome ghouls attack
Permanent damage is now done.
Come close make offerings,
To all the faceless beings,
Devoid of feelings with no names,
Invoke them with a chant,
Let creatures soon attack,
From beneath the hellish flame

(chorus)
Whoah-o-oh
Whoah-o-o-oh
Whoah-o-oh-go! (x2)

Gathering minion dogs
This timeless evil calls
Gonna inflict some fuckin' pain
Tearing your outer skin
Now gruesome ghouls begin
The chapel is bloodstainedâ€¦!
(chorus)
(repeat chorus)
