Poor little Charlotte's not so pretty anymore,
Her beauty has corroded into a corpse,
The cops don't wanna know but maybe if they ask it,
I'll tell em' you looked so-

(chorus)
Pretty in a casket
Pretty in a casket
Baby you look so-
Pretty in a casket
Pretty in a casket

And as you walk where dead angels lie,
I hope you remember the cutting of my knife,
Nothin' but a cheap cheap little has been,
But baby you look so-
(chorus)

(bridge)
And so the time has come to pay my respects,
I guess it's true this time you give what you get,
You gave me nothin' save for a lotta grief,
Now baby it's a shame , but you mad your own life
briefâ€¦!
(2nd time)You bitch!

(repeat 1st verse)
(chorus)
(bridge)
