Iâ€™ve been so many places in my life and time
Iâ€™ve sung a lot of songs and Iâ€™ve made some bad
rhymes
Iâ€™ve acted out my life on stages with ten-thousand
people watching
But weâ€™re alone now and Iâ€™m singing this song to you

I know your image of me
Is what I hope to be
Iâ€™ve treated you unkindly but darling canâ€™t you see
Thereâ€™s no one more important to me
Baby can't you see through me
Cause weâ€™re alone now and Iâ€™m singing this song to
you

You taught me precious secrets
of a true love with holding nothing
You came in front when I was hiding
but now Iâ€™m so much better and if my words donâ€™t
come together listen to the melody because my love is
in there hiding

I love you in a place where thereâ€™s no space or time
I love you for my life youâ€™re a friend of mine
And when my life is over remember- remember when
we were together
We were alone and I was singing this song to you

I love you
In a place where thereâ€™s no space or time
I said I love you for my life
Youâ€™re a friend of mine and when my lie is over
Remember- remember when we were together we were
alone
And I was singing this song to you
We were alone and I was singing this song to you
We were alone and I was singing this song- singing this
song to you
