There's a call surrender  
To the rush of day  
Where the heat of this rollin' world  
Can be turned away

An enchanted moment  
And it sees me through  
It's enough for this restless warrior  
Just to be with you

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer  
That we've got this far

There's a time for everyone  
If they'd only learn  
That the twisting kaleidoscope  
Moves all in turn

There's a rhyming reason  
To the wild outdoors  
In the heart of this star crossed voyager  
Peace in time with yours oh

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer

That we've got this far

Mmmmmm yeah oooooohhhhhh

Can you feel it oh yeah  
Can you feel it oooohhh

An enchanted moment  
And it sees me through  
It's enough for this restless warrior  
Just to be with you oh

And can you feel the love tonight

It is where we are  
It's enough for this wide eyed wanderer  
That we've got this far

Can you feel it  
I was laid to rest oh  
It's enough to make a kingdom vagabons

These are very  
These are very  
These are very best

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer  
That we've got this far oohhh
