yes i cheated, i admit it
i make choices that i never thought about
guess i did it for the pleasure
but i never thought this day would come around
and now i'm missing you (oh yeah)
i miss kissing you (oh yeah)
oh the smell of your perfume (oh)
there's nothing now that i wouldn't do

and now i'm singing i'm sorry for all that i've done
i know i deserve it if you found someone
don't know what to say to make you come back home
but i i can't make you love me
if you don't, if you don't

i'm not perfect, that's for certain
i'm so use to people in and out of my life
that's the reason i didn't see it
til i missed you all those lonely nights
and still i'm missing you (oh yeah)
i can't believe we're through (oh yeah)
don't know what else i can do
i've been acting a fool
i'm still in love with you

and now i'm singing i'm sorry for all that i've done
i know i deserve it if you found someone
don't know what to say to make you come back home
but i i can't make you love me
if you don't, if you don't

people say that i was a fool to let you go
when a woman's fed up she's not afraid to let it show
when her mind is made up the situation is outta hand
it might sound crazy baby but i'm a changed man

and now i'm singing i'm sorry for all that i've done
i know i deserve it if you found someone
don't know what to say to make you come back home
but i i can't make you love me
if you don't (i can't make you love me),
if you don't (i can't make you love me),

if you don't (i can't make you love me),
if you don't (i can't make you love me),
if you don't..
