I don't mean to bother you, I see you with your
girlfriends
Wanna know if you got any plans for the weekend
Can I pick you up around 7, you let me know when.
That's when she says she's got a man...
I don't see a ring on your fingers so what you sayin'
Why your girls look at you so crazy, c'mon, stop playin'
If it's not too much can I at least know what your name
is
Girl why you tellin' me u can't

Don't be afraid to fall in love
Cause I don't believe in giving up
Please give me a chance to earn your trust
Cause I know I can be everything that you need
Don't be afraid to fall in love
And don't ever say that is just too much
Cause you never know I could be the one
Girl we're not all the same,
Babe don't be afraid to love

You say that every man is lookin' for just one thing
You say they love you but they really don't know what it
means
How can you think that way when you know nothin'
about me
I say you runnin' away
I'll buy you nice things that I cannot pronounce
And if you let me love you, babe I will turn you on
I'll stay committed and I promise I would be around
Your life will not be the same

Don't be afraid to fall in love
Cause I don't believe in giving up
Please give me a chance to earn your trust
Cause I know I can be everythin' that you need
Don't be afraid to fall in love
And don't ever say that is just too much
Cause you never know I could be the one
Girl we're not all the same, babe don't be afraid to love

If you try

It's not a waste of time
You will find
That love is what you need in your life
Just let it go
Nobody's gonna hurt you
Don't say no
Tell me what I need to do
To make you see that you don't have to be that way
Just don't be afraid!

Wooo -
Don't be afraid
Don't be afraid
To fall in love!

Don't be afraid to fall in love
Cause I don't believe in giving up
Please give me a chance to earn your trust
Cause I know I can be everythin' that you need
Don't be afraid to fall in love
And don't ever say that is just too much
Cause u never know I could be the one
Girl we're not all the same, babe don't be afraid to love

Hooo -
Don't be afraid!
