We only say what we're supposed to say,  
I kiss your lips then you turn away,  
Do you only wanna make me stay just to have me,  
It seem like everydays a situation,  
I used to think we were the perfect combination  
I know you live me but can you still say that your happy.  
Remember when I used to make you smile,  
Now I'm feeling like its been a while,  
So I gotta know the truth, can we make it through,  
Tell me what to do cause I'm starting to ask myself.  
Does the good outweigh the bad? Or are we better on  
our own?  
Can we get back what we had? Or is it time to let it go?  
And it hurts to say it but feel like were giving up, maybe  
we can make it but I think we need to ask ourselves,  
does the good outweigh the bad?  
Now we been showing all the tell tale signs,  
I call you up your always on the other line,  
Now I don't ever say what's on my mind, do you feel  
me?  
Can you feel me?  
And girl I miss you when your not around,  
Cause your the sweetest thing I ever found,  
But I see it in your eyes, something isn't right,  
Is it worth the fight or are you starting to ask yourself?  
Does the good outweigh the bad? Or are we better on  
our own? Can we get back what we had? Or is it time to  
let it go?  
And it hurts to say it but feel like were giving up, maybe  
we can make it but I think we need to ask ourselves,  
does the good outweigh the bad?  
And I know it's hard to imagine, after all that we've  
been through, should we have this ship for abandoned,  
ooh, i don't know what to do.  
Please tell me, can we get back what we had?  
Ooh, Does the good outweigh the bad? (does the good  
outweigh the bad?) Yeahh.  
Can we get back what we had? (ooh, can we get it  
back)Or is it time to let it go?  
And it hurts to say it but feel like were giving up, maybe  
we can make it but I think we need to ask ourselves,

does the good outweigh the bad? Oh, oh.  
Does the good outweigh the bad?  
Can we get back we had? (can we get it back, hey, can  
we get it back?)  
Or is it time to let it go?  
And it hurts to say it but feel like were giving up, maybe  
we can make it but I think we need to ask ourselves,  
does the good outweigh the bad?
