When I think about you baby, I can't help it (help it)
I lose all my focus and I just can't stand it
I get so excited every time I hear your name (your
name)
And you don't reciprocate and it's a damn shame
Ooooooo

See all I'm trying to do girl is, is give you my time and
You know you better not move too slow 'cause I'm
moving on
I'll take the chance and roll the dice
I might miss out on the love of my life

Cause you know it as time moves on I won't always be
around
And I'll be gone
And I won't always be down
'Cause I'm giving it up to you
And you know this much is true
As time moves on, consider me gone
Because I'm moving on

I know it sounds crazy but I just can't do this (do this)
It feels like we're wasting time so I'll get to it
When I look into your eyes I can see right through you
(through you)
And you don't feel the same way that I do
Oooooo

See all I'm trying to do girl is, is give you my time and
(give you my time)
You know you better not move too slow 'cause I'm
moving on, lady
I'll take the chance and roll the dice
I might miss out on the love of my life

Cause you know it as time moves on I won't always be
around
And I'll be gone
And I won't always be down
'Cause I'm giving it up to you
And you know this much is true

As time moves on, consider me gone
Because Iâ€™m moving on

Iâ€™m telling you, you really missed out on a good thing
for sure
As a matter of fact, Iâ€™m glad I didnâ€™t walk through
that door
Iâ€™m a better man for it
Said I can learn from it or ignore it
You know Iâ€™ve seen it all before
Now your best friend's at my door

Iâ€™m moving on
Ooooooo (as time moves on)
Said Iâ€™m moving on (as time moves on)
Yeah

'Cause you know it as time moves on I wonâ€™t always be
around (no I wonâ€™t)
And Iâ€™ll be gone
And I wonâ€™t always be down
'Cause Iâ€™m giving it up to you (no, no no)
And you know this much is true
As time moves on, consider me gone
Because Iâ€™m moving on
Iâ€™m moving on, baby
Iâ€™m moving on, moving on
Iâ€™ll be gone
Yes I will
